Product Description

Custom giant inflatable bowling game sport games human bowling pins with zorb ball

How to play:

You can play 10 Pin Bowling or Skittles but now we have Human Bowling to make it even more fun and for that extra twist. The person who is playing has to go INSIDE the ball and is fully strapped in to the seat. They are then rolled towards the 5 'pins' to knock them over.

This game is also played in an inflatable 'alley'.

The ball has to be pushed by 2 people due to its weight. We supply 1 Supervisor with the game so that the people who are rolling the ball with their friends in it have help.
